Dear Cancer Survivor,

Hawaii Children's Cancer Foundation (HCCF) established a book reimbursement program in October 2001 to provide additional education resources for survivors of childhood cancer. As in prior years, the program covers the cost of textbooks, tools or equipment required for your college, trade or vocational school.

HCCF has determined that based on the funds we were able to raise for this program; you have been awarded the amount of **\$400.00** to be used solely for the purpose of book reimbursements. The reimbursement applies to items purchased at any time during the **Fall 2011- Spring 2012** school year.

Enclosed please find a copy of our book reimbursement expense form. You may submit this form at any time during the school year. After you purchase books or equipment, complete the form, attach original receipts, sign and mail the completed form to the following address:

Hawaii Children's Cancer Foundation  
1814 Liliha Street  
Honolulu, HI 96817

**In addition**, we are enclosing information and an application for the **Frank Seleny Scholarship**, which is awarded to two students each year. Each scholarship winner is awarded **\$1,000.00**. We encourage you to apply. The deadline for scholarship applications is **August 22, 2011**.

Please submit request for book reimbursement forms and scholarship applications before:

**Deadline: May 31, 2012**

We wish you the best as you continue to further your education!

Sincerely,

Mitchell Kaaiali'i  
Chair of the Scholarship Programs
